Addendum and additional information to the council plan specific to our site:

- a.) **Camp Crisis Coordinator:** Tiffany Strickland at the Council office and then try Sari Van Otegham.

- b.) **Telephone Monitor:** Please prepare to take up your station at the phone in the Bird House or kitchen. This will become the command post in the event of a real emergency. If you are in the kitchen, please be in contact with the Bird House via walkie-talkie and be prepared to move into Bird House if necessary.

- c.) **Security:** Since we have no gates, you will be expected to patrol the public paths in and out of camp by the Bird House and out by Gypsies. In addition, it may be necessary to patrol our back areas by Rover Rock and the Archery range.

- d.) **Camp Liaison:** Remember rumors move quickly. Be prepared to inform enough to keep rumors at a minimum and to allow camp to continue.

- e.) **Recorder:** Please keep all pertinent information in the Bird House-not the kitchen for privacy reasons.

- f.) **Relief:** Please be available to the Bird House (aka command post) so you can respond as necessary.

- g.) **Companion:** Please make your unit aware of your position in case you need to be gone for an extended period of time.

- h.) **Substitutes:** Report to the Bird House so you can be available as needed.

Thank you.
