PERSONAL PROPERTY/SEARCH AND SEIZURE POLICY

We at Two Sentinels strive to provide all campers and staff with as much equipment and gear as we possibly can. However, when campers and staff provide their own property to use while at camp, please remember the following:

- Two Sentinels is not responsible for any loss or theft of such items
- Two Sentinels is not responsible for any replacement or repair costs to such items

Two Sentinels provides the following personal sports equipment to all campers, and we therefore strongly urge you to NOT bring the following to camp:

- Archery supplies (bows, arrows, pads, etc.)
- Boating supplies (oars, paddles, watercraft, PFD's, etc.)

All vehicles brought to camp and/or left in the public parking areas around camp are the personal responsibility of the owner and Two Sentinels cannot be held liable for any damage done to such vehicles.

In addition, please remember that Two Sentinels does not allow, under any circumstances, the following to be brought onto our property:

- Weapons
- Illegal substances

Should the Two Sentinels director suspects possession of illegal substances or weapons on camp premises, she retains the right to search and seize such property until the end of the camp session, when the property will either be returned to the camper's parents or to local authorities.
