3. Proceed to the parking lot and load your gear into the appropriate vehicles first. Do not walk or linger on the road...stay in the lot!
4. Once your gear is loaded, enter the vehicle. No running between cars!
5. Listen to your driver...he or she will review safe riding rules.
6. HAVE A FUN TRIP!

When you get to where you're going...

1. Wait until all the cars have arrived safely. Do not open your door until the driver tells you it is safe to do so.
2. Get out of the car and retrieve your gear.
3. Follow directions to your meeting place, which will be out of the way of departing/arriving vehicles.
4. If you accidentally leave something in the car, don't worry and don't run back to the car! Let your staff member know...if the vehicle has already left, we will find it and either keep it for you in the Birdhouse or (if it's super important!) deliver it to you on your trip.
